BOSTON ALTERNATIVE ENERGY FACILITY DEVELOPMENT CONSENT ORDER

Boston Alternative Energy Facility (BAEF)

Book of Reference

1 INTRODUCTION

- 1.1 This Book of Reference is submitted in relation to Alternative Use Boston Projects Limited's (the Applicant) application to the Planning Inspectorate under the Planning Act 2008 (the 2008 Act) for The Boston Alternative Energy Facility Development Consent Order 202[•] (the DCO). If made, the DCO would grant powers to construct, commission, operate and maintain a power generation plant known as the Boston Alternative Energy Facility (the Facility).
- 1.2 The Facility is an EfW plant that would generate approximately 102 MWe (gross) of renewable energy, and would deliver approximately 80 MWe (net) to the National Grid. The energy recovery plant would be a thermal treatment facility using refuse derived fuel (RDF) as the feedstock to generate energy. A full project description is given in the Environmental Statement (ES) Volume 1 Chapter 5 (Document Reference 6.2.5).
- 1.3 The Book of Reference is one of the application documents required for an application for development consent under The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the "Regulations"). As this Book of Reference is part of the application documents it should be read in conjunction with:
- 1.3.1 the Land Plan and Crown Land Plan (Document Reference 4.2);
 - 1.3.2 the Statement of Reasons (Document Reference 3.1); and
 - 1.3.3 the draft DCO (Document Reference 2.1).
- 1.4 This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) of the Regulations, as amended and in accordance with the Department for Communities and Local Government Guidance 'Planning Act 2008: Guidance related to the procedures for compulsory acquisition' (September 2013).
- 1.5 This Book of Reference is divided into five Parts as prescribed by Regulation 7(1) of the Regulations. Each of the five Parts is summarised below, together with a brief commentary on how the requirements in the Regulations have been interpreted and applied to the collation of each part of the Book of Reference for the DCO.
- 1.6 The Book of Reference describes the land parcels which the Applicant is seeking compulsory acquisition or temporary possession powers in the DCO to acquire or use land for the Facility. This Book of Reference is therefore needed to list the plots of land over which the Applicant is seeking such powers (these plots collectively are referred to in this document as "the Order Land"). The plot references included within the Book of Reference refer to those shown on the Land Plan and Crown Land Plan (Document Reference 4.2). All of the land required for the Facility is included within this Book of Reference, however, compulsory acquisition powers are only sought over Plots 19, 19b, 21 and 23. Temporary possession powers are sought over Plot 3.

BOSTON ALTERNATIVE ENERGY FACILITY DEVELOPMENT CONSENT ORDER

- 1.7 Land shown tinted pink on the Land Plan and Crown Land Plan (Document Reference 4.2) is proposed to be subject to the compulsory acquisition of the freehold, leasehold, tenant and/or occupier interests as well as the acquisition of existing rights and/or the overriding of or extinguishment, suspension or interference with any third party rights pursuant to Article 25 (compulsory acquisition of land) of the DCO
- 1.8 Land shown tinted blue on the Land Plan and Crown Land Plan is proposed to be subject to powers of temporary possession pursuant to Article 34 of the DCO
- 1.9 Land shown tinted orange on the Land Plan and Crown Land Plan is not subject to powers of compulsory acquisition.
- 1.10 This Book of Reference also documents any “rights” within the Order Land which may be created, interfered with, suspended or extinguished.

2 BOOK OF REFERENCE DESCRIPTION

2.1 Part 1 Description

- 2.1.1 Part 1 of the Book of Reference is described in Regulation 7(1)(a) of the Regulations as follows:

“Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –

- I. powers of compulsory acquisition;*
- II. rights to use land, including the rights to attach brackets or other equipment to buildings; or*
- III. rights to carry out protective works to building”*

- 2.1.2 Part 1 of this Book of Reference contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the 2008 Act, along with a description of the land and an approximate area of each plot of land in which the development will be carried out.

- 2.1.3 A person is within Category 1 if they are an owner, lessee, tenant, or occupier of the land. A person is within Category 2 if they are interested in the land or have the power to sell and convey or release the land.

2.2 Part 2 Description

2.2.1 Part 2 of the Book of Reference is described in Regulation 7(1)(b) of the Regulations as follows:

“Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57”

2.2.2 Part 2 of this Book of Reference contains the names and addresses of each person within Category 3, as defined by Section 57 of the 2008 Act.

2.2.3 A person is within Category 3 if the Applicant believes that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant claim as defined in section 57(6) of the 2008 Act. A relevant claim is a claim under section 10 of the Compulsory Purchase Act 1965, a claim under Part 1 of the Land Compensation Act 1973, or a claim under section 152(3) of the 2008 Act. Category 3 also contains persons with interests in land outside the Order limits who, it is considered, might be able to make a relevant claim (as defined above).

2.2.4 Part 2a of the BoR contains the names and addresses of all those Category 3 persons with interests in land within the Order limits, who it is considered might be able to make a relevant claim. For each plot, a description of the land and its approximate area are provided.

2.2.5 Part 2b contains the names and addresses of all those Category 3 persons with interests in land outside the Order limits who, it is considered, might be able to make a relevant claim. Following an assessment by the Applicant’s consultants, it was established that there were no parties outside of the Order limits who might be able to make a relevant claim. Further details are set out in the Statement of Reasons (Document Reference 3.1).

2.3 Part 3 Description

2.3.1 Part 3 of the Book of Reference is described in Regulation 7(1)(c) of the Regulations as follows:

“Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with”

2.3.2 Part 3 of this Book of Reference contains the names of all those persons with easements or other private rights over land which may be affected by the Scheme.

2.3.3 Certain persons included within Part 1 of this Book of Reference have also been included within Part 3 where their rights may be affected. Examples include statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.

2.4 Part 4 Description

2.4.1 Part 4 of the Book of Reference is described in Regulation 7(1)(d) of the Regulations as follows:

“Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made”

2.4.2 Where Crown interests in land have been identified, these are listed in Part 4. No Crown land is subject to compulsory acquisition powers.

2.5 Part 5 Description

2.5.1 Part 5 of the Book of Reference is described in Regulation 7(1)(e) of the Regulations as follows:

“Part 5 specifies land –

I. the acquisition of which is subject to special parliamentary procedure;

II. which is special category land;

III. which is replacement land.

2.5.2 Part 5 of this Book of Reference specifies land that has been identified as being special category land. No special category land has been identified and accordingly, there is no special category land in this Book of Reference.

3 BOOK OF REFERENCE NOTES

3.1 Part 1 of the Book of reference provides the area in square metres of each plot of land included in the DCO.

3.2 All plot area measurements in the Book of Reference are approximate, as these measurements are given in square metres, and each measurement is rounded up to the nearest whole square metre.

3.3 Each plot of land shown in the Book of Reference has been given a unique plot reference number. The process of creating plot numbers is initially automated followed by manual adjustments to ensure that the Book of Reference runs in conjunction with the Land Plan and Crown Land Plan (Document Reference 4.2).

3.4 The entirety of the Order Land falls within the local authority boundary of Boston Borough Council.

BOSTON ALTERNATIVE ENERGY FACILITY DEVELOPMENT CONSENT ORDER

3.5 The description of each plot of land includes reference to the principal land use power(s) sought in the DCO in respect of that plot. Table 3.1 below is provided to explain the relationship between this Book of Reference, the draft DCO (Document Reference 2.1) and the Land Plan and Crown Land Plan (Document Reference 4.2) and to clarify the powers sought in relation to compulsory acquisition and temporary possession.
