

Boston Alternative Energy Facility

Phase Two

Public Information Days

Alternative Use Boston Projects Ltd is proposing to develop a **state-of-the-art power generation plant** at the Riverside Industrial Estate in Boston. The facility would generate 102MW of renewable energy from refuse derived fuel (RDF – derived from non-recyclable household waste).

As part of the Phase Two consultation, Public Information Days are being held to give project updates and provide Preliminary Environmental Information, giving local communities the opportunity to find out more and share their feedback. **Details of these events are below:**

Venue	Date	Time
Wyberton Parish Hall <i>London Road, Boston PE21 7DE</i>	Friday 15 February 2019	12 – 4pm
